- Graduates receive an excellent classified reading program at no additional cost

This is a very comprehensive course in *Authentic* Montessori. It follows the format and curriculum prescribed by Dr. Maria Montessori herself, when she delivered her international courses all over Europe. Through the study of child psychology, the stages of development, the philosophy and theory of the Method, you will come to understand your own life more clearly, while preparing for a meaningful and satisfying career, in which jobs are always available.

A course that inspires and empowers you – don't miss this opportunity!

This popular weekend only course will be conducted this year from October 2019 thru June 2020. The Registration and Orientation session is scheduled from 6 to 8 PM on Friday, October 4th. Interested parties are invited to attend. Preregistration is encouraged, please check website below. Location:
